PART II

GENERAL PROVISIONS

SECTION ONE: SERVICES OF CONSULTANT

1.1 Scope of Services. In compliance with all terms and conditions of this Agreement, Consultant shall provide the goods and/or services shown on Part IV hereto ("Scope of Services"), which may be referred to herein as the "services" or the "work." If this Agreement is for the provision of goods, supplies, equipment or personal property, the terms "services" and "work" shall include the provision (and, if designated in the Scope of Services, the installation) of such goods, supplies, equipment or personal property.

1.2 Changes and Additions to Scope of Services. City shall have the right at any time during the performance of the services, without invalidating this Agreement, to order extra work beyond that specified in the Scope of Services or make changes by altering, adding to, or deducting from said work. No such work shall be undertaken unless a written order is first given by City to Consultant, incorporating therein any adjustment in (i) the Budget, and/or (ii) the time to perform this Agreement, which adjustments are subject to the written approval of the Consultant. City approval and/or payment for work claimed by Consultant as changed or additional shall not act to prevent City at any time to claim such work is covered by the Scope of Work and should be performed by Consultant without additional consideration due. It is expressly understood by Consultant that the provisions of this Section 1.2 shall not apply to services specifically set forth in the Scope of Services or reasonably contemplated therein. Consultant hereby acknowledges that it accepts the risk that the services to be provided pursuant to the Scope of Services may be more costly or time consuming than Consultant anticipates and that Consultant shall not be entitled to additional compensation therefor.

1.3 Standard of Performance. Consultant agrees that all services shall be performed in a competent, professional, and satisfactory manner in accordance with the standards prevalent in the industry, and that all goods, materials, equipment or personal property included within the services herein shall be of good quality, fit for the purpose intended.

1.4 Performance to Satisfaction of City. Notwithstanding any other provision herein, Consultant agrees to perform all work to the satisfaction of City within the time specified. If City reasonably determines that the work is not satisfactory, City shall have the right to take appropriate action, including but not limited to: (i) meeting with Consultant to review the quality of the work and resolve matters of concern; (ii) requiring Consultant to repeat unsatisfactory work at no additional charge until it is satisfactory; (iii) suspending the delivery of work to Consultant for an indefinite time; (iv) withholding payment; and (v) terminating this Agreement as hereinafter set forth.

1.5 Instructions from City. In the performance of this Agreement, Consultant shall report to and receive instructions from the City's Representative designated in Paragraph D.1 of Part I ("Fundamental Terms") of this Agreement. Tasks or services other than those specifically described in the Scope of Services shall not be performed without the prior written approval of the City's Representative.

1.6 Familiarity with Work. By executing this Agreement, Consultant warrants that Consultant (i) has thoroughly investigated and considered the scope of services to be performed, (ii) has carefully considered how the services should be performed, and (iii) fully understands the facilities, difficulties, and restrictions attending performance of the services under the Agreement. If

the services involve work upon any site, Consultant warrants that Consultant has or will investigate the site and is or will be fully acquainted with the conditions there existing, prior to commencement of services hereunder. Should the Consultant discover any conditions, including any latent or unknown conditions, which will materially affect the performance of the services hereunder, Consultant shall immediately inform the City of such fact in writing and shall not proceed except at Consultant's risk until written instructions are received from the City's Representative.

1.7 Identity of Persons Performing Work.

- A. Consultant represents that it employs or will employ at its own expense all personnel required for the satisfactory performance of any and all tasks and services required hereunder. Any personnel performing the services under this Agreement on behalf of Consultant shall at all times be under Consultant's exclusive direction and control. Consultant shall pay all wages, salaries, and other amounts due such personnel in connection with their performance of services under this Agreement and as required by law.
- B. Consultant represents that the tasks and services required hereunder will be performed by Consultant or under its direct supervision, and that all personnel engaged in such work shall be fully qualified and shall be authorized and permitted under applicable State and local law to perform such tasks and services. Consultant will exclusively determine the means, methods and details of performing the services subject to the requirements of this Agreement.
- C. This Agreement contemplates the personal services of Consultant and Consultant's employees, and it is recognized by the parties hereto that a substantial inducement to City for entering into this Agreement was, and is, the professional reputation and competence of Consultant. Neither this Agreement nor any interest therein may be assigned by Consultant, except upon written consent of City.

1.8 Prohibition Against Subcontracting or Assignment. Consultant shall not contract with any other entity to perform in whole or in part the services required hereunder without the express written approval of City. In addition, neither the Agreement nor any interest herein may be transferred, assigned, conveyed, hypothecated, or encumbered voluntarily or by operation of law, whether for the benefit of creditors or otherwise, without the prior written approval of City. In the event of any unapproved transfer, including any bankruptcy proceeding, City may void the Agreement at City's option in its sole and absolute discretion. No approved transfer shall release any surety of Consultant of any liability hereunder without the express written consent of City.

SECTION TWO: INSURANCE AND INDEMNIFICATION

2.1 Insurance. Without limiting Consultant's indemnification obligations, Consultant shall procure and maintain, at its sole cost and for the duration of this Agreement, insurance coverage as provided below, against all claims for injuries against persons or damages to property which may arise from or in connection with the performance of the work hereunder by Consultant, its agents, representatives, employees, and/or subconsultants. In the event that Consultant subcontracts any portion of the work in compliance with Section 1.8 of this Agreement, the contract between the Consultant and such subconsultant shall require the subconsultant to maintain the same policies of insurance that the consultant is required to maintain pursuant to this Section 2.1.

2.1.1 Insurance Coverage Required. The Insurance obligations under this agreement shall be (1) all the Insurance coverage and/or limits carried by or available to the Consultant;

or (2) the minimum Insurance coverage requirements and/or limits shown in this agreement; whichever is greater. Any insurance proceeds in excess of or broader than the minimum required coverage and/or minimum required limits, which are applicable to a given loss, shall be available to the City. No representation is made that the minimum insurance requirements of this agreement are sufficient to cover the obligations of the Consultant under this agreement.

The policies and minimum amounts of insurance required hereunder shall be as follows:

A. Comprehensive General Liability Insurance which affords coverage at least as broad as Insurance Services Office "occurrence" form CG 00 01 including completed operations and contractual liability, with limits of liability of not less than \$2,000,000 per occurrence and \$4,000,000 annual aggregate for liability arising out of Consultant's performance of this Agreement. The limits shall be provided by either a single primary policy or combination of policies. If limits are provided with excess and/or umbrella coverage the limits combined with the primary will equal the minimum limits set forth above. If written with an aggregate, the aggregate shall be double the each occurrence limit. Such insurance shall be endorsed to:

- (1) Name the City of Irvine and its employees, representatives, officers and agents (collectively hereinafter "City and City Personnel") as additional insured for claims arising out of Consultant's performance of this Agreement.
- (2) Provide that the insurance is primary and non-contributing with any other valid and collectible insurance or self-insurance available to City.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement.

B. Automobile Liability Insurance with a limit of liability of not less than \$1,000,000 each occurrence and \$1,000,000 annual aggregate. The limits shall be provided by either a single primary policy or combination of policies. If limits are provided with excess and/or umbrella coverage the limits combined with the primary will equal the minimum limits set above. Such insurance shall include coverage for all "owned," "hired" and "non-owned" vehicles, or coverage for "any auto." Such insurance shall be endorsed to:

- (1) Name the City of Irvine and its employees, representatives, officers and agents as additional insured for claims arising out of Consultant's performance of this Agreement.
- (2) Provide that the insurance is primary and non-contributing with any other valid and collectible insurance or self-insurance available to City.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement.

C. Workers' Compensation Insurance in accordance with the Labor Code of California and covering all employees of the Consultant providing any service in the performance of this Agreement. Such insurance shall be endorsed to:

(1) Waive the insurer's right of Subrogation against the City and City Personnel.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement unless your insurance carrier is the State of California Insurance Fund (SCIF) and the endorsement numbers 2570 and 2065 are referenced on the certificate of insurance.

In the performance of the work under this Agreement, if Consultant does not employ any person in any manner so as to become subject to the workers' compensation laws of California, Consultant agrees to indemnify, defend, and hold harmless the City of Irvine and all of its officials, employees, and agents from and against any and all claims, liabilities, and losses relating to personal injury or death, economic losses, and property damage arising out of Consultants failure to provide such worker's compensation insurance. Consultant agrees that, if firm should become subject to the workers' compensation provisions of Section 3700 of the Labor Code, firm shall forthwith comply with those provisions, immediately furnish insurance certificates evidencing such coverage as set forth herein, and notify the City of the change in status.

D. Professional Liability Insurance with minimum limits of \$1,000,000 each claim. Covered professional services shall include all work performed under this Agreement and delete any exclusion that may potentially affect the work to be performed.

If the consultant maintains broader coverage and/or higher limits than the minimums shown above, the City requires and shall be entitled to the broader coverage and/or higher limits maintained by the consultant.

E. Evidence of Insurance: Consultant shall provide to City a Certificate(s) of Insurance evidencing such coverage together with copies of the required policy endorsements no later than five (5) business days prior to commencement of service and at least fifteen (15) business days prior to the expiration of any policy. Coverage shall not be suspended, voided, cancelled, reduced in coverage or in limits, non-renewed, or materially changed for any reason, without thirty (30) days prior written notice thereof given by the insurer to City by U.S. mail, or by personal delivery, except for nonpayment of premiums, in which case ten (10) days prior notice shall be provided. The City project title or description MUST be included in the "Description of Operations" box on the certificate.

The City's insurance certificate tracking services provider, Exigis, LLC, will send Consultant an email message providing instructions for submitting insurance certificates and endorsements.

Certificate Holder: City of Irvine, California
c/o: Exigis LLC
PO Box 4668 ECM #35050
New York, NY 10168-4668

F. Endorsements: A statement on an insurance certificate will not be accepted in lieu of the actual endorsement. Insurance policies shall not be in compliance if they include

any limiting provision or endorsement that has not been submitted to the City for approval.

Additional Insured Endorsements **shall not**:

1. Be limited to "Ongoing Operations"
2. Exclude "Contractual Liability"
3. Restrict coverage to the "Sole" liability of Consultant
4. Contain any other exclusion contrary to the Agreement.

G. Any Deductible in Excess of \$100,000 and/or Self-Insured Retentions must be approved in writing by the City.

H. Acceptability of Insurers. Each policy shall be from a company with current A.M. Best's rating of A- VII or higher and authorized to do business in the State of California, or otherwise allowed to place insurance through surplus lines brokers under applicable provisions of the California Insurance Code or any federal law. Any other rating must be approved in writing by the City.

I. Insurance of Subconsultants. Consultant shall be responsible for causing Subconsultants to maintain the same types and limits of coverage in compliance with this Agreement, including naming the City as an additional insured to the Subconsultant's policies.

2.2 Indemnification. Consultant shall indemnify, defend, and hold City and City Personnel harmless from and against any and all actions, suits, claims, demands, judgments, attorney's fees, costs, damages to persons or property, losses, penalties, obligations, expenses or liabilities (herein "claims" or "liabilities") that may be asserted or claimed by any person or entity arising out of the willful or negligent acts, errors or omissions of Consultant, its employees, agents, representatives or subconsultants which directly or indirectly relate to the work being performed or services being provided under this Agreement, whether or not there is concurrent active or passive negligence on the part of City and/or City Personnel, but excluding such claims or liabilities arising from the sole active negligence or willful misconduct of City or City Personnel in connection therewith:

2.2.1 Consultant shall defend any action or actions filed in connection with any such claims or liabilities, and shall pay all costs and expenses, including attorney's fees incurred in connection therewith.

2.2.2 Consultant shall promptly pay any judgment rendered against City or any City Personnel for any such claims or liabilities.

2.2.3 In the event City and/or any City Personnel is made a party to any action or proceeding filed or prosecuted for any such damages or other claims arising out of or in connection with the work being performed or services being provided under this Agreement, Consultant shall pay to City any and all costs and expenses incurred by City or City Personnel in such action or proceeding, together with reasonable attorney's fees and expert witness fees.

These Indemnification provisions are independent of, and shall not in any way be limited by, the Insurance Requirements of this Agreement. City approval of the insurance contracts

required by this Agreement does not in any way relieve the Consultant from liability under this section.

SECTION THREE: LEGAL RELATIONS AND RESPONSIBILITIES

3.1 Compliance with Laws. Consultant shall keep itself fully informed of all existing and future state and federal laws and all county and city ordinances and regulations which in any manner affect those employed by it or in any way affect the performance of services pursuant to this Agreement. Consultant shall at all times observe and comply with all such laws, ordinances, and regulations and shall be responsible for the compliance of all work and services performed by or on behalf of Consultant. When applicable, Consultant shall not pay less than the prevailing wage, which rate is determined by the Director of Industrial Relations of the State of California.

3.2 Licenses, Permits, Fees and Assessments. Consultant shall obtain at its sole cost and expense all licenses, permits, and approvals that may be required by law for the performance of the services required by this Agreement. Consultant shall have the sole obligation to pay any fees, assessments, and taxes, plus applicable penalties and interest, which may be imposed by law and arise from or are necessary for Consultant's performance of the services required by this Agreement, and shall indemnify, defend, and hold harmless City against any such fees, assessments, taxes, penalties, or interest levied, assessed, or imposed against City thereunder.

3.3 Covenant against Discrimination. Consultant covenants for itself, its heirs, executors, assigns, and all persons claiming under or through it, that there shall be no discrimination against any person on account of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status of any person, in the performance of this Agreement. Consultant further covenants and agrees to comply with the terms of the Americans with Disabilities Act of 1990 (42 U.S.C. §12101 et seq.) as the same may be amended from time to time.

3.4 Nondiscrimination in City Contracts. Any business that enters into a contract for goods or services with the City of Irvine or any of its boards, agencies, or departments shall:

- (a) Implement an employment nondiscrimination policy prohibiting discrimination in hiring, discharging, promoting or demoting, matters of compensation, or any other employment-related decision or benefit on account of actual or perceived race, color, religion, national origin, gender, physical or mental disability, age, military status, sexual orientation, gender identity, gender expression, or marital or familial status.
- (b) Not discriminate in the performance of the contract on account of actual or perceived race, color, religion, national origin, gender, physical or mental disability, age, military status, sexual orientation, gender identity, gender expression, or marital or familial status.
- (c) Incorporate the foregoing provisions in all subcontracts hereunder.

3.5 Independent Consultant. Consultant shall perform all services required herein as an independent consultant of City and shall remain at all times as to City a wholly independent consultant. City shall not in any way or for any purpose become or be deemed to be a partner of Consultant in its business or otherwise, or a joint venturer, or a member of any joint enterprise with Consultant. Consultant shall not at any time or in any manner represent that it or any of its agents or employees are agents or employees of City. Neither Consultant nor any of Consultant's employees shall, at any time, or in any way, be entitled to any sick leave, vacation, retirement, or other fringe benefits from the City; and neither Consultant nor any of its employees shall be paid by City time and one-half for working in excess of forty (40) hours in any one week. City is under no obligation to

withhold State and Federal tax deductions from Consultant's compensation. Neither Consultant nor any of Consultant's employees shall be included in the competitive service, have any property right to any position, or any of the rights an employee may have in the event of termination of this Agreement.

3.6 Covenant against Contingent Fees. Consultant warrants that it has not employed or retained any company or person other than a bona fide employee working for Consultant, to solicit or secure this Agreement and that it has not paid or agreed to pay any company or person any fee, commission, percentage, brokerage fee, gift, or any other consideration contingent upon, or resulting from, the award or making of this Agreement. For breach or violation of this warranty, City shall have the right to annul this Agreement without liability or, in its discretion, to deduct from the Agreement price or consideration, or otherwise recover, the full amount of such fee, commission, percentage, brokerage fee, gift or contingent fee.

3.7 Use of Patented Materials. Consultant shall assume all costs arising from the use of patented or copyrighted materials, including but not limited to equipment, devices, processes, and software programs, used or incorporated in the services or work performed by Consultant under this Agreement. Consultant shall indemnify, defend, and save the City harmless from any and all suits, actions or proceedings of every nature for or on account of the use of any patented or copyrighted materials consistent with Section 2.2 herein.

3.8 Proprietary Information. All proprietary information developed specifically for City by Consultant in connection with, or resulting from, this Agreement, including but not limited to inventions, discoveries, improvements, copyrights, patents, maps, reports, textual material, or software programs, but not including Consultant's underlying materials, software, or know-how, shall be the sole and exclusive property of City, and are confidential and shall not be made available to any person or entity without the prior written approval of City. Consultant agrees that the compensation to be paid pursuant to this Agreement includes adequate and sufficient compensation for any proprietary information developed in connection with or resulting from the performance of Consultant's services under this Agreement. Consultant further understands and agrees that full disclosure of all proprietary information developed in connection with, or resulting from, the performance of services by Consultant under this Agreement shall be made to City, and that Consultant shall do all things necessary and proper to perfect and maintain ownership of such proprietary information by City.

3.9 Retention of Funds. Consultant hereby authorizes City to deduct from any amount payable to Consultant (whether arising out of this Agreement or otherwise) any amounts the payment of which may be in dispute hereunder or which are necessary to compensate City for any losses, costs, liabilities, or damages suffered by City, and all amounts for which City may be liable to third parties, by reason of Consultant's negligent acts, errors, or omissions, or willful misconduct, in performing or failing to perform Consultant's obligations under this Agreement. City in its sole and absolute discretion, may withhold from any payment due Consultant, without liability for interest, an amount sufficient to cover such claim or any resulting lien. The failure of City to exercise such right to deduct or withhold shall not act as a waiver of Consultant's obligation to pay City any sums Consultant owes City.

3.10 Termination by City. City reserves the right to terminate this Agreement at any time, with or without cause, upon written notice to Consultant. Upon receipt of any notice of termination from City, Consultant shall immediately cease all services hereunder except such as may be specifically approved in writing by City. Consultant shall be entitled to compensation for all services rendered prior to receipt of City's notice of termination and for any services authorized in writing by City thereafter. If termination is due to the failure of Consultant to fulfill its obligations under this

Agreement, City may take over the work and prosecute the same to completion by contract or otherwise, and Consultant shall be liable to the extent that the total cost for completion of the services required hereunder, including costs incurred by City in retaining a replacement consultant and similar expenses, exceeds the Budget.

3.11 Right to Stop Work; Termination by Consultant. Consultant shall have the right to stop work and terminate only if City fails to timely make a payment required under the terms of the Budget. Consultant shall provide City thirty (30) day prior written notice of such claimed payment owed and City shall have an opportunity to remedy any such claimed breach during such time with no legal consequence to City. Consultant shall immediately cease all services hereunder following the thirty (30) day notice, except such services as may be specifically approved in writing by City. Consultant shall be entitled to compensation for all services rendered prior to termination and for any services authorized in writing by City thereafter. If Consultant terminates this Agreement because of an error, omission, or a fault of Consultant, or Consultant's willful misconduct, the terms of Section 3.10 relating to City's right to take over and finish the work and Consultant's liability shall apply.

3.12 Waiver. No delay or omission in the exercise of any right or remedy by a nondefaulting party with respect to any default shall impair such right or remedy or be construed as a waiver. A party's consent to or approval of any act by the other party requiring the party's consent or approval shall not be deemed to waive or render unnecessary consent to or approval of any subsequent act. A waiver by either party of any default must be in writing.

3.13 Legal Actions. Legal actions concerning any dispute, claim, or matter arising out of or in relation to this Agreement shall be instituted and maintained in the Superior Courts of the State of California in the County of Orange, or in any other appropriate court with jurisdiction in such County, and Consultant agrees to submit to the personal jurisdiction of such court.

3.14 Rights and Remedies are Cumulative. Except as may be expressly set forth in this Agreement, the rights and remedies of the parties are cumulative and the exercise by either party of one or more of such rights or remedies or other rights or remedies as may be permitted by law or in equity shall not preclude the exercise by such party, at the same or different times, of any other rights or remedies to which such party may be entitled.

3.15 Attorneys' Fees. In any action between the parties hereto seeking enforcement of any of the terms or provisions of this Agreement or in connection with the performance of the work hereunder, the party prevailing in the final judgment in such action or proceeding, in addition to any other relief which may be granted, shall be entitled to have and recover from the other party its reasonable costs and expenses, including, but not limited to, reasonable attorney's fees, expert witness fees, and courts costs. If either party to this Agreement is required to initiate or defend litigation with a third party because of the violation of any term or provision of this Agreement by the other party, then the party so litigating shall be entitled to its reasonable attorney's fees and costs from the other party to this Agreement.

3.16 Force Majeure. The time period specified in this Agreement for performance of services shall be extended because of any delays due to unforeseeable causes beyond the control and without the fault or negligence of City or Consultant, including, but not restricted to, acts of nature or of the public enemy, unusually severe weather, fires, earthquakes, floods, epidemics, quarantine restrictions, riots, strikes, freight embargoes, wars, litigation, and/or acts of any governmental agency, including City, if the delaying party shall within ten (10) days of the commencement of such delay notify the other party in writing of the causes of the delay. If Consultant is the delaying party, City shall ascertain the facts and the extent of delay, and extend the time for performing the services for the period of the enforced delay when and if in the judgment of City such delay is justified. City's

determination shall be final and conclusive upon the parties to this Agreement. In no event shall Consultant be entitled to recover damages against City for any delay in the performance of this Agreement, however caused. Consultant's sole remedy shall be extension of this Agreement pursuant to this Section 3.14.

3.17 Non-liability of City Officers and Employees. No officer, official, employee, agent, representative, or volunteer of City shall be personally liable to Consultant, or any successor in interest, in the event of any default or breach by City, or for any amount which may become due to Consultant or its successor, or for breach of any obligation of the terms of this Agreement.

3.18 Conflicts of Interest.

- A.** No officer, official, employee, agent, representative or volunteer of City shall have any financial interest, direct or indirect, in this Agreement, or participate in any decision relating to this Agreement that affects his or her financial interest or the financial interest of any corporation, partnership, association or other entity in which he or she is interested, in violation of any federal, state or city statute, ordinance or regulation. Consultant shall not employ, contract for, or receive consulting services from any such person, whether for compensation or not, while this Agreement is in effect.
- B.** Consultant represents, warrants and covenants that he, she or it presently has no interest, direct or indirect, which would interfere with or impair in any manner or degree the performance of Consultant's obligations and responsibilities under this Agreement. Consultant further agrees that while this Agreement is in effect, Consultant shall not acquire or otherwise obtain any interest, direct or indirect, that would interfere with or impair in any manner or degree the performance of Consultant's obligations and responsibilities under this Agreement.
- C.** Consultant acknowledges that pursuant to the provisions of the Political Reform Act (Government Code section 87100 *et seq.*), City may determine Consultant to be a "Consultant" as that term is defined by the Act. In the event City makes such a determination, Consultant agrees to complete and file a "Statement of Economic Interest" with the City Clerk to disclose such financial interests as required by City. In such event, Consultant further agrees to require any other person doing work under this Agreement to complete and file a "Statement of Economic Interest" to disclose such other person's financial interests as required by City.

3.19 Consultant Ethics. Consultant represents and warrants that it has not provided or promised to provide any gift or other consideration, directly or indirectly, to any officer, employee, or agent of City to obtain City's approval of this Agreement. Consultant shall not, at any time, have any financial interest in this Agreement or the project that is the subject of this Agreement other than the compensation to be paid to Consultant as set forth in this Agreement. In the event the work and/or services to be performed hereunder relate to a project and/or application under consideration by or on file with the City, (i) Consultant shall not possess or maintain any business relationship with the applicant or any other person or entity which Consultant knows to have a personal stake in said project and/or application, (ii) other than performing its work and/or services to City in accordance with this Agreement Consultant shall not advocate either for or against said project and/or application, and (iii) Consultant shall immediately notify City in the event Consultant determines that Consultant has or acquires any such business relationship with the applicant or other person or entity which has a personal stake in said project and/or application. The provisions in this Section shall be applicable to all of

Consultant's officers, directors, employees, and agents, and shall survive the termination of this Agreement.

3.20 Compliance with California Unemployment Insurance Code Section 1088.8.

If Consultant is a Sole Proprietor, then prior to signing the Agreement, Consultant shall provide to the City a completed and signed Form W-9, Request for Taxpayer Identification Number and Certification. Consultant understands that pursuant to California Unemployment Insurance Code Section 1088.8, the City will report the information from Form W-9 to the State of California Employment Development Department, and that the information may be used for the purposes of establishing, modifying, or enforcing child support obligations, including collections, or reported to the Franchise Tax Board for tax enforcement purposes.

3.21 CalPERS Annuitants. If Consultant is a California Public Employees' Retirement System ("CalPERS") annuitant, Consultant must provide the City with written notification of such fact a minimum of 14 calendar days prior to commencement of services under this Agreement. Failure to provide such notification may result in termination of the Agreement, and any penalties or other costs relating thereto shall be borne by Consultant. If this Agreement remains in place, Consultant shall execute any amendment(s) to this Agreement requested by the City in order to comply with all laws and regulations applicable to CalPERS annuitants.

3.22 Levine Act. California Government Code section 84308, commonly referred to as the Levine Act, precludes an Irvine City Councilmember from participating in the award of a contract if he or she receives any political contributions totaling more than \$250 in the 12 months preceding the pendency of the contract award, and for three months following the final decision, from the person or company awarded the contract. This prohibition applies to contributions to the Councilmember, or received by the officer on behalf of any other Councilmember, or on behalf of any candidate for office or on behalf of any committee. The Levine Act also requires a Councilmember that has received such a contribution to disclose the contribution on the record of the proceeding. Review California Government Code section 84308 for more information.

SECTION FOUR: MISCELLANEOUS PROVISIONS

4.1 Records and Reports. The City Manager of the City of Irvine or his/her designee reserves the right to perform such audits, performance reviews, and other evaluations (collectively 'audit') that relate to or concern this Agreement at any time. Consultant agrees to participate and cooperate in up to five (5) hours of meetings and interviews (at no additional cost to City), if the same are requested by the City in connection with such an audit. Further, provided that the City pays Consultant's commercially reasonable hourly rate for services, Consultant agrees to participate and cooperate in such additional meetings and interviews (in excess of five (5) hours), if the same are requested by the City in connection with such an audit. Upon request by City, Consultant shall prepare and submit to City any reports concerning Consultant's performance of the services rendered under this Agreement. City shall have access, with 72 hours advance written notice delivered to Consultant, to the books and records of Consultant related to Consultant's performance of this Agreement in the event any audit is required. **Subject: Proposal To Provide Technical Review and Feasibility Assessment of
New Veterans Cemetery
Gypsum Canyon Site, Anaheim, California**

Dear Mr. Belding:

INTRODUCTION

Geosyntec Consultants, Inc. (Geosyntec) is pleased to submit this proposal to the City of Irvine (City) to provide technical feasibility review and an assessment of the Gypsum Canyon Site, located in Anaheim, California (Site) as a potential location for the development of a new Veterans Cemetery. Geosyntec has prepared this proposal at the City's request following our call on 7 February 2024 and subsequent follow-up email communications.

PROJECT UNDERSTANDING

Geosyntec understands that the State of California (State) is planning to develop a Southern California Veterans Cemetery (SCVC) in Orange County and the Department of General Services (DGS) is assisting the State with the location selection for the SCVC. DGS is considering developing the SCVC cemetery on a 153-acre site within a 283-acre undeveloped property known as Gypsum Canyon in the City of Anaheim, California, currently owned by the Orange County Cemetery District (OCCD). The Gypsum Canyon Site is located near State Routes 91 and 241 and can be accessed from the intersection of Gypsum Canyon Road and Santa Ana Canyon Road.

Based on the review of the conceptual plans provided by the City, Geosyntec understands the proposed development of the SCVC will include: overall site preparation; grading (including stabilization of an existing landslide); utilities installation; construction of access roads; full perimeter walls; stormwater treatment and detention facilities; administration and maintenance buildings; ceremonial entrance; cortege assembly area; committal service shelter; flag and assembly area; memorial walkway; in-ground cremains plots and columbaria niches; and other supporting infrastructure.

Geosyntec understands that the City of Irvine is seeking professional engineering services to perform a technical review of reports by others and a desktop-level feasibility assessment as it relates to the development of the Site as a potential SCVC site. Geosyntec can also assist the City by evaluating alternate locations if deemed appropriate to fit for the purpose and if the alternative Site(s) present advantages over the current Site under consideration. Since this is dependent on the outcome of the Site evaluation, a budget for the Alternate Site(s) evaluation has not been included at this time and will be added if needed by City in the future.

PROPOSED SCOPE OF WORK

Based on our discussion with the City and our understanding of the project, Geosyntec has developed and organized the scope of work into the following tasks:

- Task 1 – Project Document Review and Feasibility Assessment
- Task 2 – Summary Letter Report
- Task 3 – Limited Regulatory Support
- Task 4 – Project Meetings and Coordination

Task 1 - Project Document Review and Feasibility Assessment

Geosyntec will review available relevant existing project/site documents, including documents provided by the City such as the conceptual design plans and geotechnical investigation reports prepared by others, as well as relevant publicly available Site information/documents. The objective of the document review is to obtain information pertaining to the existing Site conditions and constraints that will inform the feasibility and Rough Order of Magnitude (ROM) cost of the proposed development. Towards this objective, Geosyntec proposes to perform up to two (2) site reconnaissance visits to visually observe the Site conditions. The Site visits will be performed by a California Registered Professional Engineer and a Certified Engineering Geologist from Geosyntec familiar with the Site geologic media.

Based on the document review and Site reconnaissance, Geosyntec will perform a desktop level technical evaluation to assess the feasibility and viability of the proposed development at the Site.

Task 2 – Summary Letter Report

Geosyntec will prepare a summary Letter Report to document our findings from the document review and technical feasibility assessment as described in Task 1, for City's consideration. Geosyntec will provide the City an electronic copy (pdf) of the draft Report

for review and will prepare a final Report following receipt of one round of the City's comments.

Task 3 – Limited Regulatory Support

Geosyntec will provide limited regulatory support and assist the City in its correspondences with agencies such as the DGS, California Department of Veterans Affairs, and OCCD. Due to the nature of this task and uncertainty associated with regulatory agency interaction, for budgeting purposes, Geosyntec has assumed up to 40 professional hours in support of this task.

Task 4 – Project Meetings and Coordination

Geosyntec has budgeted for up to three (3) virtual project meetings with the City including a project kickoff meeting and two progress update meetings. Geosyntec has assumed that these meetings will be up to one-hour long each. Following these meetings, Geosyntec will prepare draft meeting notes for review and comment by the City, if requested by City.

COST ESTIMATE

Geosyntec proposes to perform the scope of work described herein on a **time and materials** basis in accordance with the attached rate schedule (Attachment A). The cost estimate for the scope of work described in this proposal is **\$59,800**. Tables 1 and 2 provide additional details of the cost estimate. Deviations from this work scope and assumptions, resulting from additional requests, new information or other considerations, may result in modification of the budget and/or schedule. This budget amount has been estimated for planning purposes and may be revised in consultation with the City based on the level of support required or in the event that the approach and scope of work changes significantly.

SCHEDULE

Geosyntec is ready to commence work on the scope described herein within 2 weeks upon receipt of written authorization to proceed from the City.

ASSUMPTIONS

Assumptions include, but are not limited to, those provided in the sections above and the following:

- The City will identify a single, lead point-of-contact regarding project direction and project management upon Notice to Proceed.
- The document review will be performed on publicly available literature and relevant Site documents provided by the City.
- Geosyntec assumes that the information provided by the City is up-to-date, accurate, and representative.
- If needed, changes to the proposed scope of work, budget, or schedule will be agreed-upon in writing in advance of the work being performed.
- Geosyntec assumes no public participation or interaction will be required other than with the City. All public interactions and notifications, if needed, will be handled by the City.
- Except as indicated in this proposal, no additional site visits or meetings are included.
- Interaction with regulatory agencies is limited, as described in this proposal.
- Expenses: Geosyntec will invoice costs for expenses (including vehicle, mileage, and other project-specific purchases and expenses).
