AMENDMENT TO "AGREEMENT FOR PROFESSIONAL CONSULTING SERVICES"

THIS AMENDMENT TO AGREEMENT FOR PROFESSIONAL CONSULTING SERVICES is made and entered into as of May 10, 2024 by and between the CITY OF IRVINE, a municipal corporation ("City") and T.Y. LIN INTERNATIONAL, a California corporation ("Consultant"), for the purpose of amending the written "Agreement for Professional Consulting Services" entered into between City and Consultant as of March 27, 2024, City of Irvine contract number 21216 (the "Agreement"). Consultant is included on the City of Irvine 2024 On-Call Program List.

- 1. PART V, BUDGET, is modified to increase the not-to-exceed project contract value by \$58,000.00 from \$417,000.00 to \$475,000.00 for the Scope of Work in accordance with EXHIBIT I, attached hereto.
- 2. Except as set forth in this Amendment, all terms, conditions and provisions of the Agreement are unchanged and remain in full force and effect.

(Signatures follow on next page)

IN WITNESS WHEREOF, the parties hereto have caused this Amendment to the Agreement to be executed by their respective duly authorized agents as of the date first set forth above.

Deborah De Bow, PE Project Manager (Contract) PROJECT DELIVERY & SUSTAINABILITY 6427 Oak Canyon City of Irvine, CA 92618 (714) 330-3683 (cell) ddebow@cityofirvine.org

Dear Debbie,

As requested by the City, TYLin is pleased to submit this Amendment 1 proposal to provide Final Design services for the **Botanic Bridge** Abutments Grading as part of the Irvine Great Park Project.

General

The general scope of work consists of providing engineering design services for the preparation of plans, specifications according to the following milestones:

- 65% Design
 - o Includes Technical Specs outline (AASHTO Green Book format) and an updated cost estimate
- 90% Design
 - o Includes updated plans, specifications and cost estimate
- Final Design
 - o Includes final signed, stamped grading plans, specifications (AASHTO Green Book format) and cost estimate/Bid Item list (quantities)

A more detailed scope is attached in Exhibit B

Schedule of Delivery

The proposed schedule is also attached in exhibit C. The packaging assumed is indicative and can be further discussed with the City and updated according to the project needs.

Fee

The total requested additional fee, as provided in Exhibit A is \$58,000. The rates are listed in Exhibit D.

IRVINE GREAT PARK BRIDGES DESIGN April 2024

AMENDMENT 1

In accordance with the current City of Irvine On-Call Consultant Agreement, the City of Irvine is requesting a proposal to provide engineering design services for the preparation of grading plans at the abutments, for design of the following four bridges located at the City of Irvine Great Park:

- 1. Timeline Bridge over Great Park Blvd
- 2. Bosque Trail Pedestrian Overcrossing over Great Park Blvd
- 3. Botanic Bridge
- 4. Championship Pedestrian Overcrossing

The bridges are described in the document entitled "Irvine Great Park DRAFT Type Selection Report/Schematic Design Report" dated October 6, 2023; attached herein as Exhibit A. This document describes a total of seven bridges (three of which will not be included in this contract and will be part of a future phase of the park development). This document will be considered as a Basis of Design Report.

Following is a summary of the scope of services requested:

SCOPE OF SERVICES

A. CIVIL DESIGN COMPONENT

Bridge Design package shall include sufficient (civil engineering) site/grading detail (plan and profile) to join the bridge structure to adjoining grade, estimated to typically join within 150-ft of bridge abutment. Detailed information concerning existing grades, geotechnical requirements and existing utility record information (e.g., IRWD, SCE) will be provided by the City. A short Retaining wall (less than 200ft long) is expected on the south eastern quadrant of Timeline Bridge and at the north eastern quadrant of Championship Bridge and will be included in the design. Retaining walls are expected to be Caltrans Standard Plan walls type.

B. PLAN SUBMITTALS

Bridge Designer will be responsible for the processing of plans for approval; however, City will receive/distribute/expedite the plan review process. "City" review of each submittal will include reviews by an independent third-party.

C. CONTRACT BID AND AWARD SUPPORT SERVICES

Designer shall include contract bid and award services that include staff support to answer bidder questions and provide bid analysis support.

D. MISCELLANEOUS SERVICES

IRVINE GREAT PARK BRIDGES DESIGN April 2024

Designer will be responsible for providing PS&Es in digital format per the latest edition of AutoCAD.

Designer will be responsible to attend up to 10 meetings throughout the project duration.

Designer will be responsible for addressing all review comments with a written response.

Designer will be responsible for coordination with all other consultants associated with the bridge; including but not limited to rough grading for bridge embankment, utilities, etc.

Trail design, geometry, and pavement sections are not included in this scope and to be developed by others.

E. CITY PROVIDED DOCUMENTS

City provided documents consist of the following:

- a. AutoCAD drawings for City right-of- way
- b. City/IRWD/SCE/AT&T utilities information
- c. Aerial topographic map
- d. Topographic survey data

F. Exclusions.

The following are excluded from this scope of services:

- a. Environment analysis
- b. Surveying/mapping
- c. Park Renderings
- d. Retaining walls (except for abutment at Timeline Bridge)
- e. Hydraulics/scour analysis
- f. Permits
- g. Landscaping

Schedule

Schedule will follow the main bridge design package submittal schedule.
