

AMENDMENT NUMBER 1 TO “AGREEMENT FOR CONTRACT SERVICES”

THIS AMENDMENT NUMBER 1 TO AGREEMENT FOR CONTRACT SERVICES (the "First Amendment") is made and entered into as of December 02, 2024 by and between the CITY OF IRVINE, a municipal corporation ("City") and IDEXX DISTRIBUTION, INC., a Massachusetts corporation ("Contractor"), for the purpose of amending the written "Agreement for Contract Services" entered into between City and Contractor as of November 08, 2024, City of Irvine contract number 21577 (the "Agreement").

1. The expiration date of the Agreement is changed from December 31, 2024 to December 31, 2025.
2. PART V, BUDGET, is modified to state that for renewal term expiring December 31, 2025, the not-to-exceed contract value remains unchanged at \$60,000.00, with rates in accordance with EXHIBIT I, attached hereto.
3. Except as set forth in this First Amendment, all terms, conditions and provisions of the Agreement are unchanged and remain in full force and effect.

(Signatures follow on next page)

IN WITNESS WHEREOF, the parties hereto have caused this First Amendment to the Agreement to be executed by their respective duly authorized agents as of the date first set forth above.

IRVINE ANIMAL CARE CENTER
6443 OAK CYN
IRVINE, CA 92618-5202

Dear Valued Partner,

As we approach the end of the year, I wanted to take a moment to reflect on the relationship we've built together and the important work you do for animals every day. I'm grateful for the trust you've placed in all of us at IDEXX, and it's our privilege to support your practice with the tools and resources you need to help grow your business.

With that in mind, I'm sharing your **2025 IDEXX pricing** information to help you plan for the coming year. It's tailored specifically to the unique needs of your practice, and your practice's MyIDEXX administrators can easily access your MyIDEXX account by signing in at idexx.com/MyIDEXX.

Here at IDEXX, we are continuously working to bring you innovative solutions that simplify your day-to-day tasks, allowing you to focus on what matters most—providing exceptional care to your patients. IDEXX innovations in 2024 ranged from intuitive software solutions like our updated and 2X faster IDEXX VetLab® Station software and cutting-edge diagnostics like the IDEXX Cystatin B Test for detecting kidney injury, to the new IDEXX inVue Dx™ Cellular Analyzer's automated, real-time cytology and blood morphology results with reference laboratory-level accuracy, within 10 minutes.

We also believe in doing our part for the environment. That's why we're offering digital options for many of our resources, including the IDEXX Reference Laboratories *Directory of Tests and Services*. By going digital, you're not only saving time and space but also contributing to a more sustainable future for everyone—pets and people alike.

In the spirit of transparency, we wanted to give you early notice that some prices will increase in the coming year. These adjustments help ensure that we can continue to invest in the technology, support, and innovation you rely on, while maintaining the high level of service you've come to expect from us.

We deeply value the partnership we share and look forward to another year of working together to enhance the health and well-being of animals. Thank you for your continued trust in IDEXX. We're excited about the future and all we can achieve together!

With gratitude,

A handwritten signature in black ink, appearing to read "George Fennell", with a stylized flourish extending to the right.

George Fennell
IDEXX Senior Vice President

IDEXX Reference Laboratories

2025 pricing

Below is your pricing for IDEXX Reference Laboratories testing, organized by testing type.

IDEXX pathology services updates:

- Please use Standard Biopsy for nonemergent cases (read Monday–Friday only) and Priority Biopsy for urgent cases (read 7 days/week).
- Histology and cytology specimens submitted under an incorrect test code will be changed to the appropriate code for the types and number of specimens submitted, and this may result in a price change. Common examples where a more specific or appropriate test code should be selected to provide you with the best service include the following:
 - o For complex biopsies, please use Complex Biopsy, test code 7217 (idexx.com/7217).
 - o Cases submitted as a standard cytology or biopsy may be changed to a priority test code when there is a critical/urgent need requested.
 - o Fluid specimens submitted for cytology will be changed to the correct site-specific fluid analysis test code:
 - 905 Body Cavity Effusion
 - 900 Cerebrospinal Fluid (CSF)
 - 935 Bronchoalveolar Lavage (BAL)
 - 906 Synovial/Joint
 - o Lymph node specimens submitted using a regular cytology code will be changed to the Lymph Node Cytology options, test code 609 (Priority) or test code 606 (Standard), to allow for the appropriate number of slides for one or more lymph nodes (up to 10 slides).
